Rules for the Use of Electronic Lockers

1. The use of electronic lockers is applied via the WeMust system. Please read through the following rules before applying for the use of an electronic locker.
2. Both monthly and daily rentals are available. The monthly rental fee is MOP20, effective 30 days from the date of rental. The daily rental fee is MOP1, effective 24 hours from the time of rental.
3. The user must pay attention to the valid rental period, as the system will automatically terminate the rental at the end of the rental period. If the renter wishes to renew the rental or request an early termination, he/she must do so losses, he/she must retrieve all his/her personal belongings before the end of the rental period. The maximum rental period for a locker cannot exceed 180 days for any single rental. The calculation of each rental period starts on the first day of the rental and takes renewal into account. Payment terms are subject to the MustPay Service Agreement.
4. After each termination of the rental, the user is entitled to a maximum of one chance to request the unlocking of the
5. In the event of any problems with the use of the electronic locker rental, the user may contact the administrator via the WeMust system and request appropriate assistance. Contact details are also required. In case of failure to contact the user due to inaccurate information, the user shall bear all the costs incurred.
 - 5.1. To request unlocking if the user encounters technical problems that prevent him/her from using the locker correctly;
 - 5.2. To request clearance if, after successfully applying for the rental, the user fails to use the electronic locker due to personal belongings inside the locker left by other users or due to poor hygiene conditions. The user may request this service only once during the rental period.
6. The right to use the electronic locker rented by the renter cannot be sublet or lent to others. Renting an electronic locker with an account other than that of the renter himself/herself is not allowed, which, if discovered, will result in
7. Before using the locker, please read carefully the "User Instructions" in the system and posted around the locker and follow the instructions.
8. Lockers must be left clean and in good condition. Upon termination of the rental, the locker shall be restored to its original condition, and the University reserves the right to claim responsibility for any requests made at that time as Item 5.2 indicates above.
9. Do not damage the appearance of the locker, such as sticking stickers, paintings, posting any stickers and promotional materials or leaving any traces. Do not store such valuable items as laptop computers, mobile phones or wallets in the locker. Do not store in the locker, food, beverages, and any items that are illegal, or that may cause danger and security problems, or that affect the environment or others (such as flammable and perishable items, pets or weapons, etc.). In the event of any breach of these situations, the user shall be responsible for any adverse consequences or damage incurred, and the University reserves the right to pursue responsibility.
10. Please take good care of the lockers. Anyone who intentionally vandalizes the locker will be responsible for all associated maintenance costs.
