

2024

Admission Regulations

-
1. This set of Admission Regulations is applicable to Local, Hong Kong, Taiwan, International applicants, and Mainland China applicants who are currently enrolled in other tertiary institutions in Macao and Mainland China applicants with international academic qualification.

【Mainland China applicants who are taking the National College Entrance Examination, please refer to the "[Admission Regulations for Mainland China students who take the current year National College Examination](#)" for application details.】

[Recommended Students from high schools of Macao and students of Pre-University studies, please refer to relevant Admission Regulations.]

2. The currency payment standard mentioned in this Admission Regulation: payments for applicants holding Macao ID card are settled in MOP, and applicants without Macao ID card in HKD.
3. The schedule and arrangements mentioned in this handbook are planned under normal circumstances. For any contingency leading to required changes, please refer to the latest update from the University.
4. This Admission Regulation is subject to change according to the latest announcements of the University. The University reserves all rights and privileges to revise and interpret the mentioned rules and regulations. In the case of any dispute, the University also has the ultimate right of arbitration.
5. This document has been produced in Chinese and English. Should there be any discrepancy in the content, the Chinese version will prevail.

Admission (Mainland China students who are currently enrolled in other tertiary institutions in Macao)

					<div></div> <div></div>

- 1) Chromatic Sense Checking: Applicants who have color blindness or color weakness cannot be admitted to the program of Bachelor of Traditional Chinese Medicine, Bachelor of Pharmacy in Chinese Medicine, Bachelor of Arts in Art Design, Bachelor of Fine Arts in Digital Media, Bachelor in Film and Television Production, Bachelor in Acting, Bachelor of Medicine and Bachelor of Surgery Bachelor of Food and Nutritional Sciences and Bachelor of Pharmacy. Applicants who are color blind cannot be admitted to the program of Bachelor of Science and Bachelor of Science in Artificial Intelligence.
- 2) Science Requirement:
 - Applicants of Bachelor of Pharmacy in Chinese Medicine, Bachelor of Medicine and Bachelor of Surgery or Bachelor of Pharmacy and Bachelor of Food and Nutritional Sciences must be from the science stream and must have senior high school Chemistry grades or equivalent (Applicants of Bachelor of Medicine & Bachelor of Surgery who have knowledge in Chemistry and biology are preferable).
 - Applicants of Bachelor of Science in Artificial Intelligence or Bachelor of Engineering in Interdisciplinary Engineering (Technology and Management) must be from the science stream and must have senior high school Physics/Chemistry/Biology grades or equivalent.
 - Therefore, applicants who apply for the above programs are required to submit the high school transcripts according to the ["Required Documents for Application"](#) . Late submission will not be accepted and the University will only consider applicants' other choices.
 - Applicants of Bachelor of Science in Automation and Systems Engineering and Bachelor of Environmental Science and Engineering who have senior high school Physics/Chemistry/Biology grades or equivalent are preferable. Applicants could submit the high school transcripts correspondingly.
- 3) Course Syllabus and Study plan: Bachelor of Medicine and Bachelor of Surgery adopts the academic year system; other programs adopt credit-based system. The above programs are full-time. Details about the course syllabus and study plan can be checked from the [MUST Website](#).

4) When selecting the choices of programs, applicants must fill in four choices of programs (including faculty, program, and major). Applicants of Bachelor of Arts in Foreign Language Studies, Bachelor of Science are required to select the major during the application:

- Applicants of Bachelor of Arts in Foreign Language Studies need to select the major during the application, and it will be considered as a reference for admission. Students admitted to this program is accepted with designated major, and they must register in the program and major that are specified on the acceptance letter.
- Applicants of Bachelor of Science will need to select the intended major during the application, and it will be considered as a reference for allocation by the Faculty when they register.
- Allocation of major for other programs will be made after the students have registered. The Faculty will make final decision for allocation based on students' academic performances in common courses (which means the applicants are not required to select major during the application period).

5) During the application, Bachelor of Medicine and Bachelor of Surgery could only be placed as the first choice of program; Bachelor of Arts in Art Design and Bachelor in Acting could only be placed as the first or second choice of program.

6) Programs available:

- Macao, Hong Kong, Taiwan, Mainland China and Malaysian Applicants: All programs.
- Other International Applicants: Bachelor of Science, Bachelor of Science in Artificial Intelligence, Bachelor of Science in Automation and Systems Engineering, Bachelor of Engineering in Interdisciplinary Engineering (Technology and Management), Bachelor of Environmental Science and Engineering, Bachelor of Medicine and Bachelor of Surgery, Bachelor of Business Administration, Bachelor of Applied Economics, Bachelor of International Tourism Management, Bachelor of Hotel Management, Bachelor of Leisure Management, Bachelor of Commerce, Bachelor of Arts in Foreign Language Studies – English and Bachelor of Arts in Journalism and Communication. Applicants could make a request to the University to apply for other bachelor degree programs with proof of Chinese education in senior high school or Chinese proficiency in public examinations.

The available programs are subject to change as announced by the University.

 - Applicants who apply for other bachelor degree programs may need to attend interviews or other assessments based on actual situations. Respective faculties will contact those applicants for further arrangements.

(Mainland China students with international academic qualification)

- Mainland China applicants who currently study at school in Mainland China (students of international program) or school outside of Mainland China with international academic qualifications; and
- have the following international academic qualifications/education level/public exam results, can apply via “Direct Admission (Mainland China students with international academic qualification):

Hong Kong Diploma of Secondary Education Examination (HKDSE)	General Scholastic Ability Test (GSAT), Taiwan Region	Subject Tests(ST), Taiwan Region
General Certificate of Education Advanced Level / International Advanced Level (GCE A Level / IAL)	Unified Examination Certificate (UEC), Malaysia	Malaysian Higher School Certificate (STPM)
International Baccalaureate Diploma (IB)	SAT	ACT
Advanced Placement Examinations (AP Exams)	Canadian High School Diploma	Australian Tertiary Admission Rank (ATAR)
● with qualifications of public examinations from other countries/districts		

- Some programs have requirements on chromatic senses, for details please refer to [“Notes for Choices of Programs”](#) .

- Selection of qualified candidates is based on the results of public examinations, high school transcripts, the results of Program-specific Examinations/interviews, and etc.

-
- Before filling in the online application, please self-check the [admission requirements](#) and choose the appropriate [way of admission](#) for which you are qualified.
 - Unqualified applicants will not be considered admission, and all the fees paid are not refundable, transferable or retainable.

-
- Click on <https://oas.must.edu.mo/admission/> (Online Application System (OAS)) to access the application system.
 - Get into the “Create New Account” page, fill in the personal information, and then create an application account.
 - Applicants who succeed in opening a new account will get a “User Name” (Format: B24XXXXX) and a “Password” for [login](#) immediately.

- Read the “[Guidelines for Online Application](#)” (please [click here](#), or [login](#) to the OAS and click on the related link on the top-right corner.).
- Go through this “Admission Regulations” carefully.

- [Login](#) to the OAS, and then fill in the application/upload the related documents according to the instructions on the page.
- You must pay attention to all the instructions (and the “[Notes for Choices of Programs](#)”) before choosing your four choices of programs. You must indicate the priority of your choices as well as whether you are willing to accept any designated program / apply to Pre-University Studies program if none of your four choices is accepted.

■ After filling in the application/uploaded documents, applicants must complete the submission of the application on the "Important Notes and Declaration" page. Incomplete application will not be accepted.

■ Personal Data Amendment:

- Applicants who are qualified for Direct Admission / qualified for Direct Admission (Mainland China students who are currently enrolled in other tertiary institutions in Macao) / Direct Admission (Mainland China students with international academic qualification): you are not allowed to change any data after the online application has been submitted (except for submissions as required by the University).
- Others applicants: you can [login](#) to the OAS to change the personal data as well as the files uploaded before the application deadline. You are not allowed to change the personal data or choices after the application period (except for submissions as required by the University).

After the above application period, if you have special circumstances and have to amend your personal information, please contact Registry and apply for Personal Data Amendment (Attention: you are not allowed to change the choices of programs/majors/allocation and etc.).

■ Applicants must pay the application fee within the application period. Application will become effective only after the applicant submits online application in the Online Application System (OAS) and pays the application fee. Applicants are deemed to give up their applications if they fail to pay the fee within the application period and the University will not process such applications any further.

■ Amount of Application Fee and Payment method: please refer to [Payment Method of Application Fee](#) for details.

■ Remarks of making payment:

- All application fees paid (including duplicate payments) are not refundable, transferable or retainable.
- Applicants who pay via Online Payment Gateway, if the page display a message of "Payment Incomplete" or "Payment Fail" , please make the payment again 30 minutes later. If "Payment Processing" is still shown, please choose other payment methods in order to meet the due date as late payment will not be accepted.

■ Upload proof of payment: Applicants who pay the application fee at the Student Service Center (Finance Counter), or via Online Payment Gateway will NOT be required to upload the receipt to the OAS. Applicants who use other payments method will be required to upload payment receipts (e.g. Application for Funds Transfers) to [OAS](#) for verification.

- 
- After the application fee has been confirmed by the Finance Office, a reminder “You have completed the payment of application fee!” will be shown on the page of “Application Fee” on the OAS.
 - If applicants fail to find any information of successful payment of application fee within two weeks after payment or before the payment due date from the system, please make enquiries to the Finance Office (email: fo_news@must.edu.mo).

- For applicant who has completed the “Submit Online Application” and “Application Fee has been Confirmed by the Finance Office” , the application number (Format: 2409APXX-BXXXX) will normally be assigned within two days. At that time, you will also be notified via e-mail/SMS.
- This number is an unique number, which can be used for identification. Please remember your application number (or you can [login](#) to OAS and check it on the Personal Info page.

- Applicants should attend the required admission examinations (written examination, program-specific examination, and etc.) of the chosen ways of admission. For details please refer to “[Admission Examinations](#)” .

Below are the Important dates of the application and examination period for each ways of admission:
