

## Professor Yibing Ma

Macau University of Science and Technology  
Faculty of Innovation Engineering  
Department of Environmental Science and Engineering  
/Macao Environmental Research Institute

PhD. Supervisor

Tel. +853-8897 2926

E-mail ybma@must.edu.mo

### Academic Qualification:

Ph.D. in

MSc in

BSc in

### Teaching Area

Environmental Chemistry

Frontiers of Environmental Science

Introduction to Environmental Science

Soil Contamination and Remediation

### Research Area

Fate and behaviour of nutrients and contaminants in environments

Ecological risk assessment and management

Soil contamination and remediation

Environmental quality criteria for contaminants

### Working Experience

## Research Grants

(i)

(ii)

(iii)

(iv)

(v)

## Representative publications (Complete publication refer to my webpage)
