

PURPOSES OF A POSTGRADUATE PROGRAM REVIEW

A Program Review is designed to contribute to the ongoing processes of assurance and enhancement of quality in the program, its teaching, learning, student assessment, evaluation and student outcomes over and above the other mechanisms and their reporting cycles that the program has for reviewing and improving its work.

Its fundamental purpose is program improvement and development, to ensure that the quality of the program is at the highest level, and to be seen to be constructive and formative (rather than solely judgemental and summative), and
