### Appendix: Penalty for Overstay

1. According to Article 58 of Law No. 16/2021, "Control, Stay and Residence Authorization in the Special Administrative Region", non-residents who overstay not for reasons of force majeure will be deported and may be interdicted from making applications for Residence Authorization for two years starting from the expiry of the previous non-resident overstay for not more than 3 months. For such infraction and pays the minimum fine of 500 MOP, giving himself or herself to the police or immigration authorities. If the above stipulation is not applicable. In accordance with Article No.16/2021, repetition of the same infraction within 1 year of the decision of administrative penalty becomes a new administrative infraction committed within the same period and are considered to be recidivism.
