### FREE Vaccination of Seasonal Influenza 2022-2023

Dear students,

To prevent outbreak of Influenza and to protect our health, Health Bureau of Macao S.A.R. is going to offer free vaccination of Seasonal Influenza to students of local higher education institutions (including local and non-lo

You may get vaccinated at Health Centres or Health Stations by presenting your identification document, student card and patient card (commonly known as gold card) issued by the Health Bureau of Government of Macao S.A.R. If you do not have a patient card, please apply it at Health Centres in your area by presenting legible proof of address. As the pandemic situation of COVID-19 is still unstable, you are recommended to first vaccinate against COVID-19, followed by Seasonal Influenza. The COVID-19 vaccine and vaccine of Seasonal Influenza should be taken apart.

Thank you for your kind attention.
